She Thrives Summit: 8am-12:30pm

We Thrive Gala: 6pm

*Renaissance Austin Downtown
701 E. 11th St. Austin, TX 78701*

**SPONSORSHIP
OPPORTUNITIES**

OUR GOAL:

To honor the resilience of caregivers and raise critical funds that allow AGE of Central Texas to continue providing life-changing services. Through storytelling, connection, and celebration, We Thrives uplifts the voices of family caregivers and empowers the community to take action. Funds raised at the events directly support AGE's essential programs, ensuring that older adults and caregivers, regardless of income, race, or background, can access compassionate, high-quality care and support.

OUR WHY:

At AGE of Central Texas, we believe that aging and caregiving are not just stages of life, they are deeply human experiences that deserve to be celebrated and supported.

YOUR WHY:

Your sponsorship is more than support for an event. It's an investment in how Central Texans age and care for the people they love.

Your support will:

- Keep older adults independent by providing free wheelchairs, walkers, and other essential health equipment.
- Help people remain at home longer through affordable daytime care, health oversight, meals, transportation, and meaningful connection at our Thrive Centers.
- Give caregivers relief and support through respite, education, support groups, care planning, and one-on-one resource navigation.
- Combat isolation and build connection through Memory Connections, Memory Cafés, technology education, and community-based programming.
- Reach more families across Central Texas as AGE expands services and partnerships into rapidly growing communities.
- Build for the next 40 years by increasing our capacity to serve thousands more older adults and caregivers.

In the first six months of 2026, AGE served 2,597 older adults and family caregivers, and demand continues to grow.

When you sponsor She Thrives and We Thrive, you help ensure that no one has to navigate aging or caregiving alone.

ABOUT AGE OF CENTRAL TX

ABOUT AGE OF CENTRAL TEXAS:

AGE of Central Texas helps older adults and their caregivers thrive as they navigate the realities and opportunities of aging and caregiving. Founded in 1986, AGE is celebrating 40 years of providing person-centered care and support to older adults and family caregivers in our Central Texas Community. AGE has accomplished this through five comprehensive programs designed to empower older adults and their caregivers. Services include low-cost adult day health care and care coordination, free durable medical equipment and hygiene items, early memory loss support, resource navigation, caregiver education, digital literacy classes, support groups, and more.

Summit

we THRIVE

Gala

The She Thrives Summit equips is a half-day experience designed for women navigating aging and caregiving, focused on connection, practical tools, and honest conversation.

The We Thrive Gala is AGE's signature fundraising event, where powerful caregiver stories take center stage and our community comes together to support older adults and the families who care for them.
